PERSONAL PROJECTS

Pause Gourmande (10/2015)

- Created an internal ordering system for a group of bakeries
- Automated the dispatching to the stores from the central kitchen which greatly increased the productivity
- Customers were given an order number, which increased the flow inside the stores and reduced the wait time by over 30%

Feriale.fr (2010 - 2012)

- Created a client interface allowing users to create an account, join the game, manage their account, and buy upgrades or additional items for their online characters
- Set up an admin interface allowing to communicate with the community and provide support to members
- Successfully maintained and kept improving the website for 2 years with over 99.7% uptime

WORK EXPERIENCE

Production manager Mademoiselle Colette Inc

01/2020 - 03/2021 Newark, CA
Managed the workflow of a team of 20+ people and training of new hires. Ensured that all the products were up to company standard, as well as meeting deadlines and customers expectations

Pastry Chef Citi Bank

01/2018 - 08/2019 London, UK
Managed the pastry production for 2 restaurants and an executive kitchen inside Citi Bank HQ. Created bespoke menus for VIP customers
